

ST. JOHN THE BAPTIST NEWS

The background of the poster is a vibrant, painterly illustration of a coastal landscape. On the left, a wooden cross stands on a grassy hillside, with a white cloth draped over its horizontal beam. In the foreground, there are several bright yellow daffodils and white daisies. A yellow butterfly is seen flying in the grass. The middle ground shows a sandy beach leading to a blue ocean with white-capped waves. In the distance, there are green hills and a bright sun rising over the horizon, casting a golden glow across the sky. A few birds are flying in the sky.

We were able to send £500 to BREAD

Berega Relief Equipment and Development Trust

BREAD raises funds and makes grants to projects in the village of Berega, Tanzania. It is small rural village about halfway between Morogoro and Dodoma. Although it is small, it has important institutions that serve the surrounding district.

Shortbread heart bags were distributed to families in church and some to those in the village on Mothering Sunday. Thank you to those who baked and delivered.
