ANNUAL PARISH CHURCH MEETING

Tuesday 28th April 3pm

Come along for tea and cake in church !

Fantastic to see the new arrangements at the back of church complete! Thanks are due to so many people - the financial generosity of Alnmouth; grant funders; the carpentry skills of Martyn Dundas; Adam Lambert's team for electricals; Andy Squires for plumbing; Greg Building Services for drainage and water connections; Davey Blythe for decorating; Clockwork Audiovisual for refiguring the sound system. What a team effort !

Thank you !

Fill my heart with renewed faith,

and my life with purpose.
May I be a witness to Your grace and truth,
not just in this season, but always.
